

2018

PRAYER OF BLESSING

May God Almighty bless and keep you this year.

May you experience the love, goodness, mercies and grace of God in greater measure than ever before.

May the troubles of past years dissolve and disappear from your heart and mind and be replaced with double blessings.

May you respond to God's call to know Him, love Him and serve Him with a deeper devotion and a purer passion.

May you hunger for His Word and be filled with His Holy Spirit.

May you be bold in your faith, unashamed of Jesus Christ in your lifestyle and words.

May you be filled with spiritual wisdom, strength and power.

May you be used by God to draw people to Jesus Christ.

May your words bring peace and healing to others.

May your spirit be enlarged and your generosity be increased.

May you demonstrate the grace and compassion of Jesus.

May you be protected from every scheme of darkness and delivered from all evil.

May you be blessed with health, strength, abundant resources, favor, spiritual and emotional security, confidence and competence so that you will be a greater blessing to others and to the work of Jesus' Church and the advancing of His Kingdom.

May love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control, hope and faith fill you and overflow from your life.

May 2018 be a positive, amazing watershed year in your life.

IN JESUS' NAME. AMEN!
