- Electricity and Magnetism

Earth and Space Science

- Earth Processes
- Natural Resources
- Weather and Climate
- Astronomy

Human Body

- Transitions
- Diseases

STEM

Outdoor classroom/Investigations
Project based
Real-world connections
Performance tasks
Literacy Tasks

Art

Work with a variety of materials and media
Apply principles / Elements of Art
Spatial organization
Observation Skills/Visual perception
Color Mixing /Theory

Physical Education

Units of Skill Development:
Soccer
Volleyball
Basketball
Flag Football
Games of strength and balance
2K Fun Run

Foreign Language

Recite scripture in Spanish
Days of the Week
Name family relationships
identify household items
Use greetings in Spanish
Connecting with other cultures, peoples

Music
