Forgotten Lunch Program

On most days, the children do very well remembering to bring their lunches. On occasion they forget and do not remember until lunch time, when it is too late to call home. Or, it may not be convenient for the parent to bring a lunch to school. On these occasions, your child will be provided with a Forgotten Lunch.

A Forgotten Lunch contains:

- box of 100% juice
- individually wrapped pack of crackers
- single serving of applesauce or fruit cup
- individually wrapped granola bar

We will notify you that your child received a "Forgotten Lunch".

Please have your child return the notice to the school office, along with the **\$3.00** payment.

Please sign the **DECLINE FORM** below if you **DO NOT** want your child to receive a Forgotten Lunch.
